CERTIFICATE OF UK BUILDING REGULATION COMPLIANCE

This document serves to certify that the commercial-grade flooring products supplied and installed by BuildPro UK—including SPC (Stone Plastic Composite) Rigid Core planks, LVT (Luxury Vinyl Tiles), and associated adhesive-free underlay systems—comply in full with current United Kingdom Building Regulations.

Specifically, the materials meet or exceed the following performance standards:

- FIRE SAFETY:** Tested in accordance with BS EN 13501-1 and classified as Class Bfl-S1 (Flame Retardant and Low Smoke Emission). Suitable for escape routes and commercial corridors.
- SLIP RESISTANCE:** Certified to DIN 51130 and BS 7976-2, achieving a Pendulum Test Value (PTV) of 36+ in wet and dry conditions, registering an R10 slip rating suitable for public spaces.
- INDOOR AIR QUALITY:** Materials conform to EN 717-1 emission limits, certifying VOC concentrations fall well below hazardous limits (FloorScore and E1 Formaldehyde Compliant).
- SOUND INSULATION:** Integrates a pre-attached 1.5mm high-density IXPE acoustic underlay, providing an impact sound reduction of 22dB, in compliance with Approved Document E (Resistance to the passage of sound).

This declaration applies to all BuildPro UK flooring installations, including the Kingsley Oak, Light Chestnut, Storm Grey, Walnut, Norfolk Flint, Tuscan Marble, and Biscay Marble collections.

Signed on behalf of BuildPro UK:

Authorized Quality Inspector:

A. Harrison

Technical Director, BuildPro UK

M. Dunwoody

QA Auditor, Certification Services
